

IN THE CLAIMS:

Please Amend Claims 1, 14 and 18 as follows:

Claim 1 line 6 after "graphic description file" replace "being usable for" with --to be used in--.

Claim 14 line 7 after "graphic description file" replace "being usable for" with --to be used in--.

Sub  
B<sup>3</sup> > 18. (Amended) An interactive image display system for displaying a printed article as it will appear when printed, comprising:

means for interacting with a user for obtaining and modifying information for producing said printed article;

processing means for processing said information and producing [an image representing said printed article, said processing means also for producing] a graphic description file to be used for printing said printed article;

display means for reading said graphic description file and displaying an image of said printed article [providing said image] to said user for viewing; and

storage means for storing said [information] graphic description file for printing said printed article.
